

CENTER FOR STUDIES ON BAY OF BENGAL
Andhra University, Visakhapatnam-530 003, INDIA

Advertisement for the position of Field Assistant

Applications are invited for the following temporary position to work in an NRSC sponsored Research Project.

PROJECT TITLE : NRSC-BOB collaboration project on “Air-Sea fluxes of carbon dioxide from the coastal Bay of Bengal: Influence of physical and biogeochemical processes”

PRINCIPAL INVESTIGATOR : Dr. B.B.V. Sailaja
Dept. of Inorganic and Analytical Chemistry

PROJECT DURATION : One Year likely to be extended to one more year

EMOLUMENTS : A maximum of Rs.15,000/- per month consolidated, depending up on the qualification and experience.

POSITION : Field Assistant – 1No.

Essential Qualification: Bachelor's Degree with Chemistry as one of the subjects is required. However, the candidate with at least 2 years of experience in the scientific field work and laboratory analysis can be considered. The qualification may be relaxed in case candidates with above qualifications are found non-suitable and others with relevant field and lab experience can be considered.

NATURE OF WORK: Field Assistant has to participate in the field works extensively on fishing boats and along the coastal regions and lab analysis. He has also to perform the maintenance of number of field equipment being used in the project during and after the field operations.

HOW AND TO WHOM TO APPLY:

Interested candidates may submit their bio-data along with photo copies of the qualifying degree and marks lists to “The Director, Centre for Studies on Bay of Bengal, Andhra University, Visakhapatnam – 530 003”.

LAST DATE FOR RECEIPT OF APPLICATIONS: 04.06.2018.

Date and Place of Interview will be intimated through e_mail or by phone and no TA and DA will be paid for attending the interview.

Visakhapatnam
Date: 21.05.2018
