The Centre for which you are assigned is indicated against your name and code number below. The II and III Year students have to attend the Personal contact Programme where they attended last time. The Centre-wise distribution of the students is made depending on the distance of your native place to the nearest Centre.

You are required to report with your Identity Card at the Centre allotted to you at 9.00 a.m. on the first day of the commencement of the programme for registration. The registration will be done during the first four days only. No student will be registered from 5th day onwards after the commencement of the programme. Time-table and other details will be given to you at the time of registration.

Further it is informed that you have to register yourself on payment of prescribed exam fee for the immediate theory examinations scheduled in April / May, 2017 so as to enable us to register your name and send you the marks list accordingly.

In spite of our best efforts to provide accommodation facilities, we are not in a position to provide accommodation, as there are no such facilities. Hence, out-station students are advised to make their own arrangements in this regard.

With best wishes,

Yours sincerely,
